

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

It gives me great pleasure to offer my support and encouragement to the Pennsylvania Association of REALTORS® and all of the local associations across the Commonwealth as you participate in REALTORS® Reach Out 2011.

Since 1920, the Pennsylvania Association of REALTORS® has been an important source of information and education for the real estate industry. Its mission—to serve real estate professionals through a commitment to promote ethical and competent real estate practices, to support the preservation of real property rights, to provide leadership in adapting advances in the industry, and to enhance each member's opportunity for success—has led it to become a source of great pride throughout the region. In addition to the critical services Pennsylvania REALTORS® provide through their profession, they also donate their time to various charitable organizations and enhance their communities by offering their support and assistance to those in need.

This year's REALTORS® Reach Out event will undoubtedly be as successful and helpful as the previous three, which raised over \$153,000, 37,600 pounds of food and over 1,000 pieces of clothing to benefit citizens across our Commonwealth. In addition to those amazing contributions, homes were refurbished, communities were restored and even blood was donated to save the lives of those critically injured.

As Governor and on behalf of all Pennsylvanians, I offer everyone at the Pennsylvania Association of REALTORS® my support and encouragement for this year's REALTORS® Reach Out initiative. Best wishes for great success in 2011 and in all of your future endeavors.
